

Philip McNulty

BSc(Hons) Ost. Med; DO; Cert.Ac.
Osteopath; Acupuncturist.

Originally a Biologist at Southampton University, Philip went on to study Osteopathy at the London School of Osteopathy and graduated in 1997. He completed his Advanced Acupuncture training at The Renshu College of Traditional Chinese Medicine.

Philip specialises in the treatment of acute and chronic pain problems, using mainly hands on Osteopathic techniques and acupuncture when appropriate, to help patients return to a normal life. He prides himself on a thorough all round knowledge of Osteopathy and its application.
