

Maureen McCann

Lic. Acc MBAC
Acupuncturist

Maureen qualified after 3 years of training at The School of Five Element Acupuncture in London. She then went on to gain her advanced certificate and regularly participates in post-graduate development.

Her work as an Acupuncturist allows her to treat a broad spectrum of illnesses and conditions. Maureen specializes in infertility.

For Maureen the value of acupuncture lies in its ability to promote health at all levels, be that physical or emotional, and she is dedicated to that profound system of healing.

Maureen is also qualified in Facial Revitalisation Acupuncture.
